Soundarya Highlights

- » 29 students achieved centum scores in the last academic year.
- » NAAC reassessment successfully completed.
- » 259 research papers presented by students and faculty at national and international conferences.
- » 48 books published; 21 patents (published/granted) and 2 copyrights secured.
- » 19 publications featured in UGC CARE-listed and Scopus-indexed journals.
- » Received a 3-Star Rating from the Institution Innovation Council (IIC).
- » Runner-up in the National Entrepreneurship Challenge by IIT Bombay.
- » Awarded “Most Engaging Institution” by ICT Academy.
- » Honored with the ITC Wow Green Award for sustainability initiatives.
- » Hosted a Short Movie Competition featuring 27 first-edition films.
- » Planted over 19,000 saplings through plantation drives.
- » Champions in Cross Country, Volleyball, Tennis, and Athletics.
- » Secured 3 overall championships in intercollegiate cultural fests.
- » Recognized as the Best Athletics Team under Bangalore University.
- » 20 cadets participated, with 4 cadets donating blood

CHAIRMAN'S MESSAGE

Loka Samastha Sukhino Bhavanthu

Today, the role of an institution is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of an ever-changing global society. SIMS is being run under the auspices of well-established Management, Soundarya Educational Trust, which has earned its own niche not only in Bangalore but across the state. At SIMS, we provide an atmosphere to our students for multifaceted development where students are encouraged to channelize their potential in the pursuit of excellence that can only be possible in a holistic and learner centric environment. The talents, skills and abilities of each student need to be identified, nurtured, and encouraged so that the students are enabled to reach greater heights. Students need to be provided with a platform to think, express and exhibit their skills. It is necessary to empower them to negotiate several issues that they confront in future. SIMS strives hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the students. We provide an amalgam of scholastic and co-scholastic activities in order to manifest every individual into a self-reliant and independent citizen.

Mr. Soundarya P. Manjappa, Chairman, Soundarya Educational Trust (R).

CEO'S MESSAGE

INSIGHT FOR EXPLORATION

As the institute CEO, I constantly keep my goals in mind while inspiring my colleagues to do the same. A successful institution should constantly be able to inspire and uplift the people in and around its environment. In a similar manner, our institution encourages the vision and goal of the college, faculty, and students who genuinely desire to understand and learn about society in order to build and alter public perceptions for the benefit of the nation. Our institution places a strong emphasis on all extracurricular activities, including athletics, cultural events, swimming, and the celebration of all festivals, regardless of religion, caste, or language. We respect and love everyone with all our hearts, and in doing so, we also teach and develop critical thinking, creative abilities, and expose pupils to a variety of activities to help them think and gain a good understanding of the world. We provide the top courses to all students who want to advance their careers. We invite everyone to join our amazing institution and educate oneself for the betterment of society.

Mr. Keerthan Kumar, CEO, Soundarya Educational Trust.

PRINCIPAL'S MESSAGE

MIND CHANGE LEADERS TO WORLD CHANGE

We believe that education is a powerful tool for transforming society. Seeing the thousands of students who have moved on to have bright and prosperous jobs that have subsequently benefited society gives us hope. We are pleased to be a member of an outstanding institution that is influencing modern India. For the benefit of the students' education, we are bringing new courses and assisting students in exploring all the subjects and courses. We practice the NEP syllabus and always follow UGC guidelines.

Our main objective is to encourage our students to become creative problem solvers and effective communicators, which is more important to us than simply promoting education. Today, empowering people to become independent and use their creativity to start their own businesses, as well as encouraging students to learn more than just their chosen field of study, are the main concerns of technology startups, which also aim to foster an interdisciplinary environment where people can work and grow.

Our college assists the students in achieving their life goals by providing knowledgeable, committed teachers and first-rate facilities. The most critical character qualities for someone who wants to succeed are persistence, hard work, and dedication. Students should constantly reflect and examine events to determine their causes and effects. The personal development of each and every student is important to our college. We use a Leader system, where each class is connected into the vast network of teachers. We place a high priority on our pupils' behavioral control, moral character, and cognitive growth.

Dr. Vasu B A Director/Principal, SIMS.

SOUNDARYA MARVELS

At Soundarya Institute of Management and Science (SIMS), excellence is not just pursued — it is a longstanding tradition. With a strong integration of academic rigor, research-driven initiatives, and an engaging campus environment, SIMS equips students to thrive in today's competitive professional landscape. State-of-the-art infrastructure, industry partnerships, and hands-on training opportunities keep our students ahead in their careers.

SIMS continuously pushes the boundaries of undergraduate and postgraduate education. Throughout the academic year, students benefit from a holistic learning experience that combines classroom instruction with real-world application. This includes value-added programs, industrial visits, internships, research projects, publications, and community outreach activities. At SIMS, learning goes beyond textbooks, fostering both academic excellence and career readiness.

Soundarya Institute of Management and Science Shines at Inter-College Taekwondo Competition

Amit Kumar, a talented student of Soundarya Degree College, has clinched a prestigious Gold Medal at the Inter-College Taekwondo Competition held at Ramaiah College, near B.E.L Circle.

Double Delight!

Amit's impressive victory has also earned him a spot to represent our institution at the All India Inter-University National Taekwondo Championship, scheduled from November 6th to 9th, 2024, at Guru Nanak Dev University, Amritsar, Punjab.

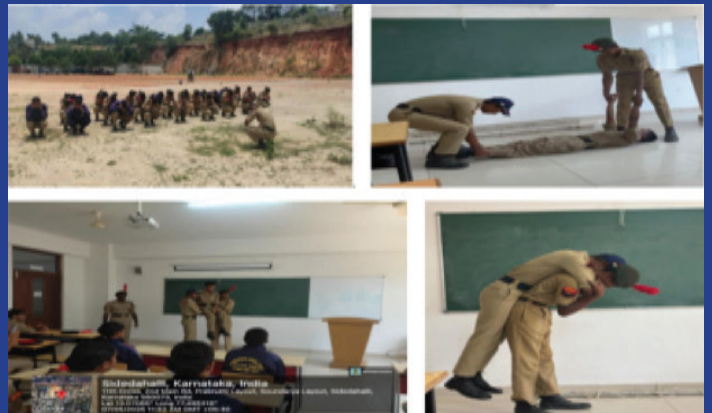

NSS & NCC Activities

NSS and NCC: Credibility, Commitment, and Community Impact

On 07 May 2025, the NCC cadets of SIMS conducted a mock drill on campus to strengthen emergency preparedness. The drill simulated situations such as fire outbreaks and natural disasters, focusing on evacuation, crowd control, and coordination with mock emergency services. Cadets displayed leadership, composure, and teamwork, reinforcing their role as dependable responders in real-life emergencies.

On 25 January 2025, ahead of Republic Day, 15 NCC cadets took part in a statue cleaning drive at KR Circle, Bangalore, to honor Sir M. Visvesvaraya. In line with the Swachh Bharat Abhiyan, the initiative promoted civic responsibility and respect for national icons. Divided into teams, cadets cleaned the area, scrubbed the statue, and engaged with the public on hygiene and Visvesvaraya's legacy. The effort was well-received, fostering discipline, service, and awareness of environmental and historical values.

The NSS and NCC units, along with the Postgraduate departments, organized a week-long Youth Day celebration filled with engaging activities and competitions. Highlighting the ideals of Swami Vivekananda, the event featured a special guest talk on youth's role in nation-building, inspiring students to recognize their potential and responsibilities in shaping the nation's future.

On 12th March 2025, the NSS unit of SIMS, in partnership with Saptagiri Hospital, conducted a Free Health Camp providing various medical check-ups and specialist consultations. More than 250 individuals, including students, staff, and members of the public, benefited from services such as general health screenings, ENT, dermatology, and paediatrics. Inaugurated by Principal Dr. B. A. Vasu and supported by dedicated NSS volunteers, the camp was well-received for its efforts in promoting health awareness and community well-being.

On 19th March 2025, SIMS NSS, in collaboration with Lion's Club Bangalore Mahalakshmi, organized a Blood Donation Camp at the Soundarya Institute of Management and Studies campus. The drive encouraged voluntary blood donation, with 116 participants including students, faculty, and staff. Conducted by qualified medical professionals, the camp ensured safety and hygiene. Donors received refreshments and certificates of appreciation. The successful event raised awareness about the importance of blood donation and promoted community engagement in healthcare.

FREE HEALTH CAMP
IN COLLABORATION WITH **SAPTHAGIRI HOSPITAL**

On 12TH MARCH 2025 | TIME : 10:00 AM TO 2:00 PM
LOCATION : SIMS CAMPUS

THE FOLLOWING CHECKUPS WILL BE PROVIDED:

- GENERAL MEDICINE
- GENERAL SURGERY
- ORTHOPEDICS
- DERMATOLOGY
- ENT (EAR, NOSE, AND THROAT)
- OPHTHALMOLOGY
- PEDIATRICS
- OBSTETRICS & GYNECOLOGY

SOUNDARYANAGAR, SIDDAHALLI, NAGASANDRA POST, BANGALORE-560073

The NSS Unit of SIMS conducted a week-long special camp at Devarayanadurga, focusing on community service and rural development. Activities included village clean-up drives, health and hygiene awareness, plantation efforts, and educational sessions for local children. Volunteers also led door-to-door campaigns on sanitation, plastic-free living, and nutrition, along with cultural events and interactions to understand rural issues. The camp fostered leadership, teamwork, and social responsibility among students and received positive feedback from villagers and local authorities, making it a meaningful and impactful experience.

On June 5, Soundarya Institute of Management & Science, Bengaluru, celebrated World Environment Day with a massive tree plantation drive, planting over 5,000 saplings in and around the campus. Organized by the NSS and NCC units, the event showcased the college's commitment to environmental sustainability. Environmentalist Mr. Ramu Jogihalli encouraged students to adopt eco-friendly habits, while CEO Mr. Keerthan Kumar reaffirmed support for green initiatives. Principal Dr. B. A. Vasu inspired students to pledge to plant a sapling each year. With nearly 25,000 saplings planted to date, SIMS continues to lead in building a greener future.

Department of Pure Science

ISRO NODAL Centre

Out bound program : Akshayakalpa

On August 19, 2024, B.Sc. students visited Akshaya Kalpa Organic Farm, learning about organic farming's health and environmental benefits, inspiring eco-awareness and entrepreneurial interest.

Space day Celebrations

On August 22, 2024, B.Sc. students and faculty attended "Space Day Celebration through Aditya-L1 Journey" by KSTA at SIMS, where Dr. Dipankar Banerjee shared insights on the Aditya-L1 mission, sparking interest in space science. Participants received certificates.

Workshop

On September 4, 2024, B.Sc. students attended a workshop by Prof. H.C. Verma on "Learning Physics Through Simple Experiments," where interactive activities simplified complex concepts and encouraged critical thinking through real life applications.

Quantum Science and Technology (2nd International online workshop)

From September 9 to 13, 2024, the B.Sc. Department and KSTA hosted the 2nd International Online Workshop on Quantum Science and Technology, where students explored topics like quantum optics, teleportation, and algorithms, fostering interdisciplinary learning and research interest.

Bangalore Tech Summit:

From November 19–21, 2024, B.Sc. Pure Science students presented a bioposter on sustainable products from agricultural waste at the Bangalore Tech Summit. Their eco-friendly innovations gained media coverage and boosted awareness of circular economy solutions.

Paper waste Management:

On November 29 and December 2, 2024, the B.Sc. Department, with ITC WOW, conducted a paper waste management drive, collecting 975.5 kg of paper for eco-friendly recycling, promoting sustainability and environmental responsibility.

BIEC (TIE Bangalore Summit):

On December 11, 2024, Pure Science students attended the TIE Bangalore Summit at BIEC, gaining exposure to entrepreneurship through keynotes, panels, workshops, and networking, inspiring future innovators and leaders.

National Mathematics Day

On December 22, 2024, National Mathematics Day was celebrated with a tribute to Srinivasa Ramanujan, a session by Prof. Mamatha H. K., and a student oath, honoring his legacy and promoting commitment to mathematics.

Value Added Program: ISRO

From January 9 to 25, 2025, the Pure Science Department and ISRO held a 40-hour START program on **SPACE SCIENCE**, inspiring student interest in the field. Participants received merit certificates, and SIMS was awarded a certificate of appreciation.

Aero India Show:

On February 12, 2025, 38 B.Sc. Pure Science students visited Aero India 2025 in Bengaluru, gaining exposure to aerospace technology, aerial displays, and defense careers, enriching their STEM learning with real-world insights.

National Science Day

On February 28, 2025, the Pure Science Department celebrated National Science Day with a keynote by Dr. Maneesh Paul, the IIC Cell launch, and student exhibitions, inspiring innovation and scientific curiosity.

Skill development Training Programme:

From February 3 to March 15, 2025, the B.Sc. Department, with Medi Buddy V Health and United Way, conducted GDA training to build skills in patient care and emergency response. Students gained hands-on experience and received Skill India certification.

ITC WOW:

On March 12, 2025, the Pure Science Department held an Eco-Empowerment Program at Nandini Layout, where 35 B.Sc. students educated 1,087 households on waste segregation, promoting sustainability and gaining outreach experience.

Celebration of Birth Anniversary of Space Icons at KSTA

On March 15, 2025, the Pure Science Department at KSTA honored Dr. U.R. Rao and Dr. S.K. Shivakumar with talks by ISRO scientists, inspiring students toward space careers. II-semester student Vishnu was recognized as an outstanding participant.

Srinivasa Ramanujan Lecture Series:

The B.Sc. Pure Science Department held a five-day Math series on 3D Geometry and Vector Calculus, connecting theory to practical use.

The Department of Business Administration, in collaboration with Lakshya E-Cell, organized the business plan competition Eureka in association with IIT Bombay on 30th September 2024. Dr. Anita Prasad and Ms. Diksha served as judges for the event. The competition was won by Dhanushree H and her team from B.Sc. Pure Science.

Department of Forensic Science

1. Hands on Experience at IISc, Bengaluru

7th & 8th October 2025

Students received hands-on training and practical experience on the instrument “Triple Quadrupole LC-MS” at the One Health Research Laboratory, under the guidance of Professor Utpal Tatu, Chairman of the Department of Biochemistry at the Indian Institute of Science, Bengaluru.

2. Internship at Directorate of Forensic Science Laboratories

4th September to 5th October 2024 and 4th to 31st December 2024

Students completed a one-month internship at the Directorate of Forensic Science Laboratories, Government of Karnataka, including SFSL Bengaluru, RFSL Mysuru, RFSL Belagavi, and RFSL Ballari. The internship provided them with valuable exposure to analytical techniques and evidence analysis in a real-world forensic setting.

3. Texial Cyber Guard: A Journey to Digital Safety

14 August 2024

The Department of Forensic Science organized an impactful seminar on Digital Forensics titled “Texial Cyber Guard.” The session was conducted by Mr. Sudarshan P., a Cyber Forensic Expert from Texial Pvt. Ltd., and focused on educating students about cybercrime trends, data privacy, and digital investigation techniques. Through the discussion of real-life case studies, the seminar greatly enhanced students’ understanding of current cyber threats and highlighted potential career paths in the field of cyber forensics.

4. Akshayakalpa Organic Farm Visit, Tiptur, Bengaluru

19 August 2024

Students embarked on an educational journey to Akshayakalpa Organic Farm, gaining insight about organic dairy farming, sustainable agricultural practices, and environmental accountability. The visit aimed to connect students with ecological aspects of forensic science and broadened their understanding of food safety and environmental forensics.

5. Clue 4 Evidence Forensic lab, Bengaluru

4, 7, & 8 October 2024

Students, divided into three batches, underwent hands-on training in a range of forensic techniques such as fingerprint development, trace evidence collection, and biological analysis. Practical demonstrations and simulations based on real cases complemented their theoretical knowledge and enhanced their analytical skills.

6. Kristu Jayanti College - National Symposium: “Crime Scene to Court”

10 October 2024

A group of six students took part in a national-level poster presentation event, where they demonstrated their skill in integrating theoretical knowledge with clear communication of forensic procedures. The event also provided enriching opportunities for peer learning and networking.

7. Inauguration of NYAYA ANVESHANA SAMITHI – Forensic Club

25 October 2024

The formal inauguration of the Department's Forensic Club signified a milestone in student-led forensic learning. Launched by Principal Dr. B. A. Vasu, the club serves as a hub for peer-driven workshops, crime scene reenactments, and cross-disciplinary discussions.

8. Global TiE Summit at BIEC, Bengaluru

11 November 2024

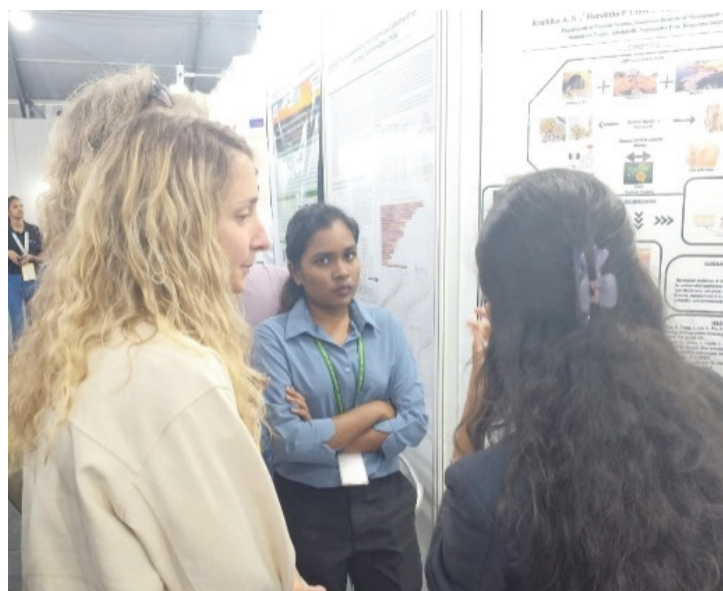

Students had the chance to participate in the TiE Global Summit, which united entrepreneurs, investors, and innovators from around the world. The event exposed them to inspiring entrepreneurial journeys and cutting edge tech startups, motivating them to adopt innovative perspectives within the field of forensic science.

9. Bengaluru Tech Summit – Student Innovation Showcase

19–21 November 2024

Guided by Dr. Nagalakshmi G., five students showcased research posters on innovative topics at Karnataka's premier tech event. Their work was praised for its scientific depth and real-world relevance, highlighting the department's commitment to technology-focused education.

10. Avian Trust Awards– Junior Environmentalist Awards

21 December 2024

Conducted at the Regional Plant Quarantine Station, Bangalore the seminar introduced students to climate action initiatives, biodiversity preservation, and environmental ethics. The program encouraged forensic students to connect their discipline with ecological and wildlife crime investigations, as well as the field of forensic entomology.

11. Ramaiah Institute of Technology – International Research Conference

20–21 February 2025

Under the mentorship of Dr. Nagalakshmi G., students presented research papers at a multidisciplinary conference encompassing life sciences, chemistry, physics, and humanities. This opportunity strengthened their research presentation abilities and boosted their academic confidence.

12. Character Simulation on National Science Day

27 February 2025

Through Nyaya Anveshana Samithi, the department organized an innovative crime scene simulation activity. Students performed live enactments of homicide and theft investigations, highlighting the significance of scientific thinking and the process of delivering justice.

13. National Science Day Exhibition at SIMS

28 February–1 March 2025

Students designed and displayed forensic models, conducted demonstration experiments, and interacted with visiting school students to promote awareness of forensic science. Their strong communication abilities and enthusiasm for the subject were clearly reflected throughout the event.

14. Open Day at Indian Institute of Science (IISc), Bengaluru

1 March 2025

Students delved into advanced research initiatives spanning various scientific fields. The visit sparked their interest in pursuing higher education and research oriented careers in both biological and physical forensic sciences.

15. Inquisitor '25 – Forensic Science Fest at Kristu Jayanti College

7 March 2025

Participating in events like forensic quiz, role play, and startup pitching, students demonstrated their comprehensive understanding of the subject. The fest provided an inter-collegiate platform for exposure and healthy competition.

16. Workshop on Academia – Industry Interaction: “Transforming Ideas Through Project-Based Learning”

14 March 2025

This workshop bridged the gap between classroom knowledge and industrial requirements. Experts from various industries guided students on how to convert academic projects into scalable innovations and sustainable ventures.

17. Visit to National Centre for Biological Sciences (NCBS) - Tata Institute of Fundamental Research

17 March & 24 April 2025

Students were exposed to advanced high-throughput technologies such as DNA sequencing and electron microscopy. The visit offered practical insights into interdisciplinary research and highlighted the integration of biology with forensic analysis.

18. Two-Day Workshop on Crime Scene Management & Ballistics Investigation

25–26 March 2025

The workshop, titled “Where Science Meets Justice,” featured simulations and live demonstrations led by industry experts. Students gained practical experience in forensic techniques such as ballistics, blood-stain pattern analysis, and evidence collection.

19. Guest Lecture: “Identifying the Unidentified – Solving Crimes Through Science” by Dr. Angela Mathew (NFSU)

10 April 2025

During a virtual session, Dr. Mathew provided an in-depth overview of forensic odontology and its role in identifying victims. Her presentation highlighted the interdisciplinary strength of combining dental science with forensic investigations.

20. Victoria Hospital – Medico-Legal Autopsy Observation

28 April & 5 May 2025

Students were taken to observe autopsy procedures under medico-legal experts. This rare exposure provided clarity on Forensic Pathology, cause of death determination, and ethics in postmortem examination.

21. ARTOPSY – Cultural & Sports Fest by Forensic Science Department

24 April 2025

ARTOPSY was a vibrant initiative that fused arts and science. Students showcased creativity through music, drama, and visual arts while promoting physical wellness and teamwork through sporting events.

22. Core Research Facility Day – NCBS [TIFR]

2 May 2025

Students had a workshop at **National Centre for Biological Sciences: Tata Institute of Fundamental Research** to explore its core technology platforms and interact with Principal Scientists. The workshop was underlined the role of high-end research facilities in advancing forensic and biomedical sciences.

Department of Commerce (B.Com)

Ms. Tejaswini K, final-year BCom student (2021–24), received a Gold Medal from Bangalore University in Cost Accounting, honoring her academic excellence and bringing pride to the Commerce Department.

Academic and Professional Development

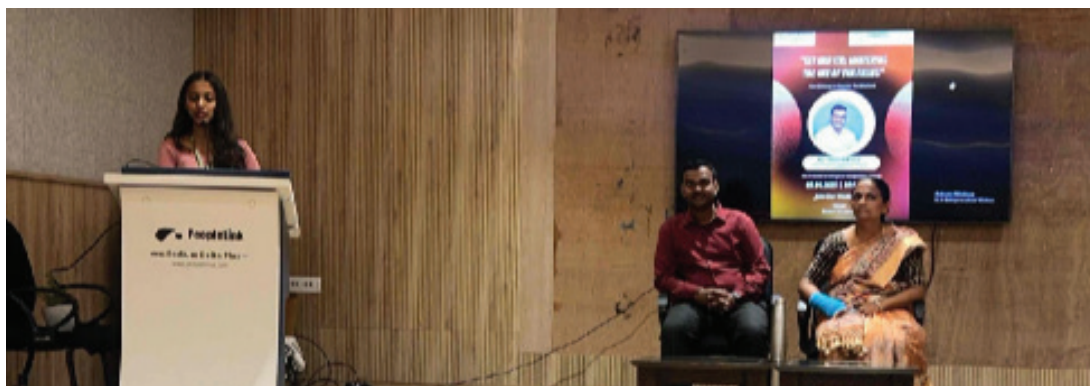

Overview of Union Budget 2025-26 (March 1, 2025)

Commerce students participated in an interactive session on the Union Budget 2025–26, led by finance expert CS Chandrasekhar. They explored key allocations, tax reforms, and economic goals, gaining valuable insights into fiscal policy and public finance.

Workshop on “GST and ITR: Mastering the Art of Tax Filing” (April 9, 2025)

Mr. Koushik D.R. conducted a hands-on workshop on GST and ITR filing, training students in portal use, tax calculation, HSN codes, and compliance. Real-time case studies and simulations equipped them with practical skills for careers in finance and taxation.

Guest Talk on “Recent Trends in HRM” – 15th April 2025

Mr. Koushik D.R. led a practical workshop on GST and ITR filing, guiding students through portal use, tax calculations, HSN codes, and compliance, with case studies and simulations to build industry-ready skills.

On April 17, 2025, the Commerce Department hosted a talk on banking cybersecurity by former RBI GM Mr. Shashidharan Palliyani. Over 80 students gained insights into risks, regulations, and resilience in the financial sector.

Entrepreneurship and Innovation

• Guest Talk on E-Commerce (November 18, 2024)

The e-commerce session covered digital marketing, mobile strategies, and tech like AI and blockchain, giving students insights into online business, branding, and supply chain management.

• Guest Talk on “Innovating Start-ups Amid Economic Shifts” (April 16, 2025)

Mr. Balaji Srinivasan shared insights on start-up survival in a volatile economy, covering digital tools, funding, and strategy, while encouraging student interaction and entrepreneurial thinking.

Industrial Exposure and Professional Readiness

On March 14, 2025, 55 Commerce students visited Cothas Coffee, gaining firsthand insights into coffee production, branding, and supply chain management through a factory tour and industry interaction.

• Mysore Industrial Visit – KSIC (April 11, 2025)

Students visited KSIC to explore India's silk weaving heritage, toured reeling and weaving units, learned about sericulture supply chains, and observed how tradition blends with modern marketing and sustainability in textiles.

• Payana (April 11, 2025)

Students visited Payana to explore eco-tourism and sustainable business models, learning about social responsibility, environmental efforts, and women-led entrepreneurship through interactions with the team.

• Micro Plastics Pvt. Ltd Industrial Visit (April 17, 2025)

Students visited a top polymer manufacturer, exploring injection molding, die-making, and quality control processes. They learned about safety, sustainability, and the role of automation in modern manufacturing.

Career Enhancement & Skill Development

• Workshop on Banking Exam Preparation-19 Novmber2024

On November 19, 2024, Mr. Suraj M from Mark Education Academy led a workshop on cracking banking exams, covering aptitude, reasoning, current affairs, and interview tips to boost students' exam readiness.

• PGCET Orientation and Guidance by Ms. Sushmitha.

Ms. Sushmitha conducted a focused session for B.Com students on cracking the MBA PGCET, covering syllabus, time management, mock tests, and admission procedures. The session included motivational tips and a helpful Q&A for aspiring postgraduates.

Extension Activities and Institutional Social Responsibility (ISR)

• Post Office Guest Talk (November 3, 2025)

Students and faculty attended a session by the Indian Postal Department covering services like PPF, Sukanya Samriddhi Yojana, insurance, and IPPB. The session also highlighted career opportunities and government-backed financial schemes.

• Say No to Drugs – Awareness Campaign and Pledge Drive

On 24/03/2025, an anti-drug campaign was held in collaboration with Shakti Foundation, featuring expert talks, street plays, posters, and slogan writing. The event ended with a pledge, promoting awareness and healthy living.

Department of Management-BBA

Guest Talk:

Stress Management by

Prof. S. Veerbhadhrayya (13th Aug 2024)

Prof. Veerbhadhrayya addressed 1st Sem BBA students on managing stress, boosting confidence, health tips, and meditation. 36 students attended the interactive session.

Transgender Issues in Modern Society by

Dr. Anita Prasad (20th Sept 2024)

Dr. Anita Prasad shared her journey and spoke on gender equality and inclusivity. The session ended with a student pledge against discrimination and certificate distribution.

Personality Development session by

Shashikala (12th Aug 2024)

Focused on self-confidence, communication, and emotional intelligence, this workshop helped 40 students enhance their personal and professional growth.

Flying Flavours – Event on Hospitality Management (29th Sept 2024)

A practical session for 9 students exploring the fundamentals of hospitality management, including hotel operations, guest services, and industry trends.

Industrial Visit to Air Traffic Control, BIAL (17th Oct 2024)

21 students and 2 faculty members visited BIAL's ATC. Guided by Mr. Sanjay Verma, students explored RADAR systems, safety protocols, and real-time air traffic operations offering career insights into aviation.

Industrial Visit to Akshayakalpa Organic Dairy (13th Sept 2024)

48 first-year BBA students gained hands-on exposure to sustainable dairy farming, production practices, and agribusiness operations at Akshayakalpa.

Gender Sensitization & Cultural Inclusivity – Secret Santa Event (Christmas 2024)

A festive initiative promoting equality, inclusivity, and respect for diversity through a culturally sensitive and gender-aware Secret Santa celebration.

Industrial Visit to TVS and Adarsh Packaging – March 2025

All 129 students had an opportunity to visit the manufacturing sector-based companies to understand the operations, supply chain management and manufacturing process.

2nd September 2024 at Soundarya Institute of Management and Science, guided first-semester students through the curriculum, learning outcomes, and academic expectations. Attended by 25 faculty members and 15 students

Illuminate 2024, led by Mahesh Bharatula, equipped students with practical insights on entrepreneurship, innovation, and building sustainable ventures.

Students of BBA visited IIT Bombay from 29th Jan 2025 to 4th Feb 2025 for attending finals of National Entrepreneurship Challenge.

Community Outreach & Social Responsibility Initiatives – 2024

Visit to Government Schools - Future Leaders in Action (7th–10th Dec 2024)

As an IQAC initiative, I BBA students mentored high schoolers from seven government schools, introducing them to management concepts, leadership, and teamwork fostering aspirations for higher education.

Zero Waste Collective – Newspaper Bag Making (21st Nov 2024)

A sustainability drive where students crafted 700 eco-friendly bags without staples or glue for use at “KadlekayiParishe”, promoting environmental consciousness and alternatives to single-use plastics.

Shree Shiradi Sai Anathalaya (14th Nov & 26th Dec 2024)

On Children's Day, BBA students raised ₹10,000 through cultural events and donated essentials to a charitable trust. A follow-up visit reinforced values of empathy, responsibility, and community engagement.

Stapler free documentation:

Department of Business Administration practicing stapler free documentation and uses tags for documentation.

Department of Computer Science & IT

BITOSAVA 2025 was held on **27th March**, inaugurated by **Dr. VASU B A** and **Prof. Vijay**. The fest featured technical, cultural, and gaming events, with enthusiastic student participation and smooth coordination by faculty and student committees.

Placement Orientation and Parents-Teachers Meeting

The **placement parent-teacher meeting** for BCA students focuses on academic progress, skill development, and career readiness. Faculty update parents on technical skills, projects, and placement opportunities, highlighting strengths and areas for improvement. The goal is to align academic growth with career aspirations, ensuring students are prepared for successful placements.

National Science Day 2025: Preincubation centre inauguration

The School of Science and IIC at Soundarya Institute of Management and Science celebrated National Science Day 2025 on February 28, themed “Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat.” Guest Dr. Maneesh Paul S highlighted science’s role in nation-building. An Incubation Centre was also inaugurated to support student innovation, research, and entrepreneurship, aligning with the institute’s vision for technological advancement.

To mark **International Women's Day**, the **Department of Computer Science (UG & PG)**, along with the **Sparsh Women Empowerment Cell** and **IIC**, hosted a session on **cyber safety for women**. **Ms. Gayatri**, Chief Guest from HKIT, shared insights on cybersecurity threats and protective measures, encouraging digital safety and empowerment among participants.

Department of Art & Humanities

Journalism Reports

The Journalism Department launched The Daily Brief on 21st February 2025 a student-produced daily video news update simulating a real-time newsroom. It featured concise national, international, state and local headlines, along with campus event updates for relatability. The prototype ran for one week.

On 28th February 2025, Social & Media Matters, in collaboration with the E-Gaming Federation, conducted a 60-minute workshop on Responsible Gaming. Led by CEO Pratistha Arora and Vikram Singh, the session aimed to promote digital literacy, online safety, and ethical behaviour, highlighting risks like fraud, addiction and psychological effects of irresponsible gaming.

As part of the Women's Day celebration at Soundarya College, the Department of BA, in association with the Soundarya Film Club and Student Council, screened Neeraj Ghaywan's short film JUICE, leaving a powerful impact on the audience. Set in a typical Indian household, the film subtly yet effectively highlights deep-rooted gender roles and domestic inequalities faced by women, particularly in middle-class settings. Students actively engaged in the post-screening discussion, sharing personal reflections and insights.

World Theatre Day

The Department of Journalism and Student Council celebrated World Theatre Day on 27th March 2025. The event opened with a theatrical song by Assistant Professors Kishan and S.D. Arvinda, followed by a talk by Mr. Basavaraj Okkunda on theatre's role in life and empathy. The college troupe Ranga Soundarya performed a powerful mime on female infanticide. A dramatic dialogue from the Mahabharata was presented by student Niharika Shekar and faculty member Ms. Kumudha. Assistant Professor S.D. Arvinda also shared his theatre experiences and performed "Ranga Geethegalu,"

Screening of The Elephant Whisperers

On the afternoon of 11th April 2025, the Soundarya Film Club (SFC) brought to screen the soul-stirring Oscar-winning Indian documentary, The Elephant Whisperers, creating an immersive cinematic experience for over 60 students and faculty members. The atmosphere was reverent and expectant, as the lights dimmed and the screen came alive with the story of one of India's most heartfelt conservation efforts.

Voice of Needy Foundation (Field Visit)

On 6th December 2024, BA students visited the Voice of Needy Foundation, a centre for the differently abled. The visit aimed to help students understand various developmental disorders. Through interaction, they gained insight into their social responsibilities and learned to distinguish between intellectual, personality and physical disabilities.

Resume Building Workshop

On 4th March 2025, Mrs. Risshma, a renowned soft skills trainer from the Placement Department, conducted a Resume Building workshop for BA students, organized by the BA Department. The session aimed to enhance resume development skills, bridge academia-industry gaps, boost confidence and provide career clarity, equipping students with essential tools for improved employability.

Confusion to Clarity

The Department of Psychology, in association with the Counselling Cell, organized a workshop titled Confusion to Clarity on 24th April 2025 at Sri Ratan Tata Hall. Led by Assistant Professor Mohammad Yoosuf Swaroop, the session offered undergraduate students a safe space to explore topics like love, stress and self-discovery. An insightful talk on Love and Resilience encouraged students to reflect on personal beliefs and better understand the human psyche. The interactive session enabled students to share their experiences and receive guidance, fostering personal growth and self-awareness.

Unmasking Psychology Myths on Love and Resilience

On 24th April 2025, the Psychology Club organized Unmasking Psychology Myths on Love and Resilience to dispel common misconceptions using social media insights. Students curated popular Instagram posts labelled "Psychology Says" and critically analysed the scientific validity of the claims related to love and resilience.

IV Semester students showcased their learning through engaging spot presentations about the Contribution of Dharampal to Contemporary Discourses on 21st March, 2025. The session emphasized Dharampal's relevance to current political and social thought.

National Civil Services Day Celebration (NCS)

On 17th May 2025, the department celebrated National Civil Services Day in Ratan Tata Hall. Principal Dr. B.A. Vasu and Prof. Basavaraj Okkunda awarded prizes to winners of the Slogan Writing Competition organized by the Electoral Literacy Club. The event included motivational films on civil services, making it both educational and inspiring for students.

Workshop on Voting Process

In collaboration with the Electoral Literacy Club and NSS, the department conducted a workshop on "Demonstration of Voting in the Election Process" on 26th March 2025. Led by Prof. A.G. Shreedhar Babu, Former Joint Director, Dept. of Collegiate Education, the session offered a practical overview of polling procedures and the roles of election officials.

Youth for Seva

On 6th March 2025, the Department of Political Science, in collaboration with the NSS unit, visited the Youth for Seva office at Konanakunte, Bengaluru. Ms. Netravathi, College Relations Officer, briefed students on the purpose, scope, and functions of the NGO. Volunteer Ms. Thanushree highlighted the experiential learning opportunities and the role of NITI @ YFS.

Slogan Writing Competition

The department hosted an inter-department slogan writing competition on 24th March 2025, witnessing participation from students across various streams. Events were conducted in three languages and winners were felicitated on National Service Day by Principal Prof. B.A. Vasu, coordinated by faculty and student leaders.

Spot Presentation

On 5th March 2025, the session on Importance of Political Theory introduced students to core political theories with a special focus on Liberalism. It concluded with an interactive Q&A, encouraging critical thinking and active student engagement.

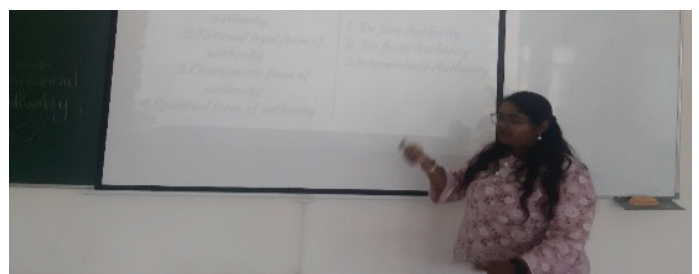

Newspaper Reading Activity

During the Newspaper Reading Activity, held on 24th March 2025, students read newspapers and developed political reports with their own headlines. This exercise aimed at improving content writing skills and encouraging awareness of current political affairs in multiple languages.

On 21st April 2025, students used ICT tools to present the ideologies of Liberalism, Communitarianism and Libertarianism, integrating technology with classroom learning.

On 2nd May 2025, the session included well-prepared student presentations on foundational concepts in political science - Power, Authority, and Legitimacy - strengthening their understanding through peer learning and faculty feedback.

On 13th March 2025, the lecture provided students with a conceptual understanding of Democracy Meaning, Features, Importance, and Types, enriching their knowledge base on political systems and their functioning.

Students explored various theories of democracy in the conceptual session on 16th April, 2025. It offered insights into pluralist, elitist, participatory and deliberative models.

Orientation Session

An orientation and capacity-building session for the new SEP batch (first semester) was held on 7th August 2024. The session introduced students to the nature and philosophy of Political Science, aiming to nurture the values of responsible and active citizenship in a democratic society.

Bridge Course

A three-day Bridge Course was organized for first-semester students from 8th to 10th August 2025. The program included sessions on Career Opportunities (8th Aug), a Talent Hunt (9th Aug), and Ek Bharat Shreshtha Bharat – Article Writing (10th Aug). These sessions helped students identify their strengths, improve their writing skills, and engage in innovative practices.

Democratic Club

The Democratic Club organized three interactive sessions for first-semester students. A quiz session held on **19th August 2024** aimed to develop students' quizzing abilities, promote active participation, and encourage peer learning. A **spot presentation** on the Divine Theory of State took place on **16th October 2024**, followed by an **inter-class presentation** on Fundamental Rights and Duties on **21st November 2025**. These sessions provided students with a platform to display their talents, communication skills, and presentation techniques.

Workshop on Youth Political Participation

To explore the challenges faced by youth in political engagement, the department conducted a one-day workshop on 18th October 2024. The session, led by Dr. Deekshith Kumar M from Kristu Jayanti Autonomous College, witnessed participation from over 55 undergraduate students.

International Democracy Day

To commemorate International Democracy Day on 19th September 2025, undergraduate students participated in various activities such as essay writing, sketching, drawing, debates, and pick-and-speak events, enhancing their understanding of democratic values.

Constitution Day

Constitution Day was observed on 26th November 2025 through the Constitution Wall Making activity. Students wrote their thoughts on constitutional values on a symbolic wall, fostering awareness and inspiring peers. The event concluded with an oath-taking ceremony affirming their commitment to uphold the Constitution.

Guest Lecture on Voter Awareness

On 9th December 2024, a guest lecture on Voter Awareness was delivered by officials from Dasarahalli BBMP. The session educated students about the voting process, highlighted online voter registration procedures, and motivated them to exercise their democratic rights.

National Voter's Day

To mark National Voter's Day on 24th January 2025, an oath-taking ceremony was organized. The session emphasized the importance of voting and encouraged students to acknowledge and uphold their responsibilities as active participants in the democratic process.

Capacity Building Programme

On 14 March 2025, Political Science students, along with their faculty, attended a workshop organized by Bangalore City University. Prof. Sandeep Shastri, a noted political analyst, spoke about career opportunities in Political Science. The session was informative and inspiring, providing students with valuable insights for their future.

International Human Rights Day

The Department of Political Science observed International Human Rights Day on 10th December 2024. The event aimed to raise awareness about fundamental rights and freedoms. Students participated in discussions and presentations highlighting global human rights issues and their relevance in the Indian context and also took oath. The programme fostered critical thinking and a sense of social responsibility among students.

Department of MBA

One-Day International Conference on “Innovations in Business Practices: Bridging Global Perspectives”

The Department of MBA at Soundarya Institute of Management and Science (SIMS) successfully hosted a One-Day International Conference on “Innovations in Business Practices: Bridging Global Perspectives” on 21st March 2025 in hybrid mode. Featuring four thematic tracks chaired by academic and industry experts, the event saw over 100 paper presentations by faculty, students, and researchers. Dr. Rishikesh Krishnan, Director of IIM Bangalore, delivered the inaugural address, highlighting innovation in the post-digital era, while Dr. Celestine Iwendi from the University of Bolton, UK, gave the keynote on intelligent technologies and sustainable business models. A panel discussion with leaders from XIME, Chanakya University, The 100 Open Startups, and RV College of Engineering added further depth. The Best Paper Award went to Ms. Bhuvana J and Ms. Shashikala L for their work on predictive HR analytics, guided by Prof. Angel Chakraborty. The conference reinforced SIMS’s commitment to global academic collaboration and business innovation.

SIMS Hosts First MBA Graduation Ceremony for Pioneering Batch of 2022–24

On November 30, 2024, Soundarya Institute of Management and Science (SIMS) celebrated a historic milestone by hosting its inaugural MBA Graduation Ceremony for the Batch of 2022–24. A total of 116 graduates received their degrees in a grand event that reflected the institution's dedication to shaping ethical and capable business leaders. Chief Guest Mr. K Ullas Kamath, Founder of UK&Co., delivered an inspiring keynote, urging students to embrace change and lead with purpose. The ceremony was graced by Mr. Keerthan Kumar, CEO, and Mrs. Prathiksha Keerthan Kumar, Trustee of Soundarya Educational Trust, with Principal Dr. B.A. Vasu highlighting the program's growth. The day featured an academic procession, degree distribution, and emotional moments shared between faculty and students. Representing their peers, graduating students expressed heartfelt gratitude, making the occasion one of pride and new beginnings for both the graduates and the MBA program at SIMS.

Skill Development Workshop on “Data-Driven Decision Making with Business Analytics”

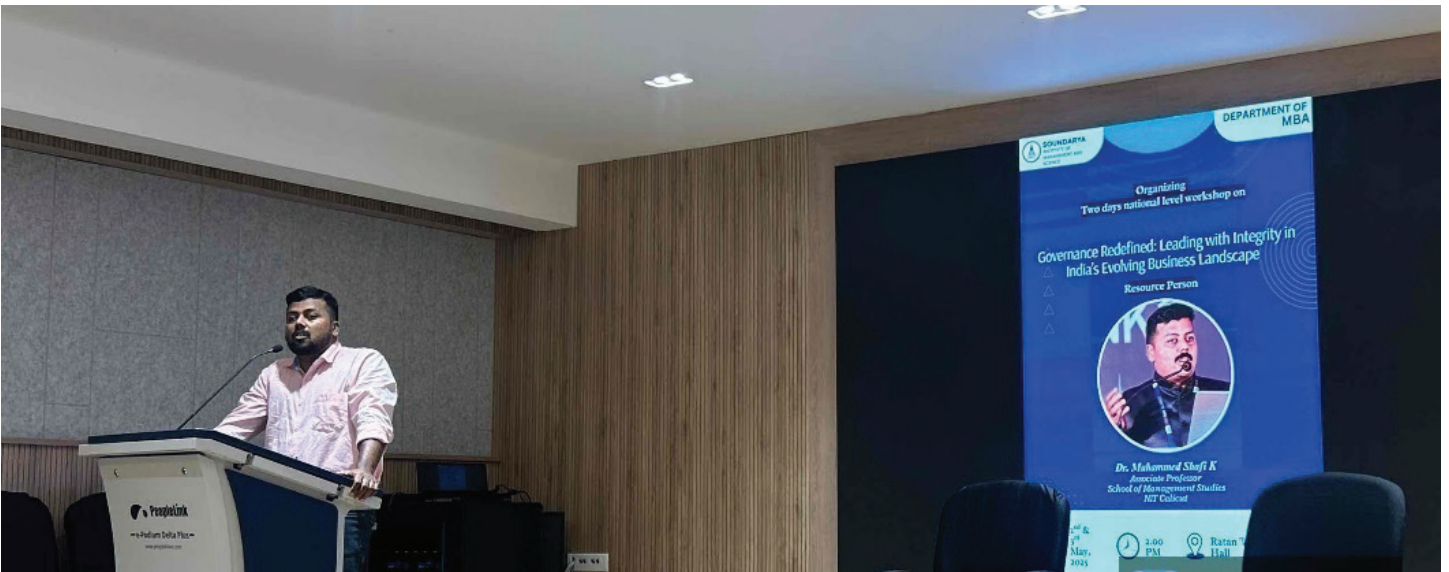

The MBA Department at Soundarya Institute of Management and Science (SIMS) conducted a two-day Skill Development Workshop on “Data-Driven Decision Making with Business Analytics” on 19th and 20th February 2025. Led by Mr. Akash Ginimuge, Senior Business Analyst at Epsilon, the workshop focused on practical training in tools like Tableau and Power BI. Through live demos, case exercises, and interactive sessions, students from the first and third semesters gained hands-on experience in data interpretation, visualization, and dashboard creation. The workshop enhanced students' confidence in applying analytics to strategic decisions, aligning with SIMS's focus on industry-relevant, skill-based learning.

Faculty Development Program on “Data Analytics for Business Decision Making” at SIMS

The MBA Department at Soundarya Institute of Management and Science (SIMS) hosted a two-day Faculty Development Program (FDP) on “Data Analytics for Business Decision Making: Tools, Techniques and Best Practices” on 17th and 18th October 2024. Led by Dr. Arul Senthil Kumar S from Amity Business School, Bangalore, the program aimed to enhance analytical skills among educators, students, and researchers. Combining theory with hands-on training, the sessions covered advanced tools, techniques, and real-world applications in data-driven decision-making. The FDP was well-received for its depth, clarity, and practical relevance, reinforcing SIMS’s commitment to experiential and industry-aligned business education.

Two-Day Workshop on Corporate Governance at SIMS

The MBA Department at Soundarya Institute of Management and Science (SIMS) hosted a two-day workshop on Corporate Governance titled “Governance Redefined: Leading with Integrity in India’s Evolving Business Landscape” on May 2–3, 2025, at the Ratan Tata Seminar Hall. Led by Dr. Muhammad Shafi from NIT Calicut, the sessions focused on ethical leadership, governance practices, and real-world corporate challenges. Tailored for MBA students, the workshop combined lectures, discussions, and case studies to highlight integrity, accountability, and regulatory awareness in leadership. Well-received by participants, the event reinforced SIMS’s commitment to fostering value-driven business professionals.

Department of M.Com

Graduation Day was celebrated on **30th November 2024**, with **Mr. Ullas Kamath**, renowned business leader and motivational speaker, as the **Chief Guest**. He inspired the graduating class with a speech emphasizing **integrity, lifelong learning, and resilience** as keys to professional success.

On **26th September 2024**, the M.Com fresher batch at SIMS hosted a warm and memorable Farewell Day for the graduating students of the department. Held in the college auditorium, the event was marked by heartfelt emotions, joyful moments, and shared memories.

On **14th September 2024**, the department hosted an **Alumni Talk** with **Ms. Hamsa**, a distinguished alumna, who shared her inspiring journey from college to securing a government position. The interactive session saw enthusiastic student participation and discussions on career opportunities in the government sector.

On **21st June 2024**, the department conducted an **English Reinforcement Program** to enhance students' language proficiency, communication skills, and confidence. The sessions covered grammar, vocabulary, reading comprehension, writing, and spoken English, supporting both academic and professional growth.

On **13th December 2024**, the department hosted a vibrant **Freshers' Day** to welcome the new batch of students. Senior students organized cultural performances, skits, and games, creating a lively atmosphere that helped newcomers feel at home and showcase their talents.

On **11th December 2024**, the department held an **Online Parent-Teacher Meeting** to discuss students' academic progress, overall development, and extracurricular involvement. Parents were also briefed on upcoming academic events and placement support initiatives.

Participated in a **one-day online workshop on dissertation report preparation** held on **5th July 2024**, organized by the **Department of Commerce, Bangalore University**. The workshop guided postgraduate students on research methodology, literature review, data analysis, citation formats, formatting standards, and plagiarism avoidance.

Attended the **TiE Global Summit** on **11th December 2024** at **BIEC**, organized by **TiE (The Indus Entrepreneurs)**. The event featured panel discussions and startup showcases focused on **innovation, entrepreneurship, and emerging business trends**, bringing together global entrepreneurs, experts, and students.

On **4th September 2024**, the department conducted a **Workshop on Advanced Research Methodology** to enhance students' research skills and support effective dissertation writing. Topics included research problem identification, hypothesis development, sampling, data analysis, statistical tools, and referencing techniques.

On **7th January 2025**, a seminar titled **"Exploring Career Opportunities in Civil Services"** was organized to guide students aspiring for the Indian Civil Services and other competitive exams. The session covered roles like **IAS, IPS, IFS**, and state level positions, highlighting their scope and responsibilities.

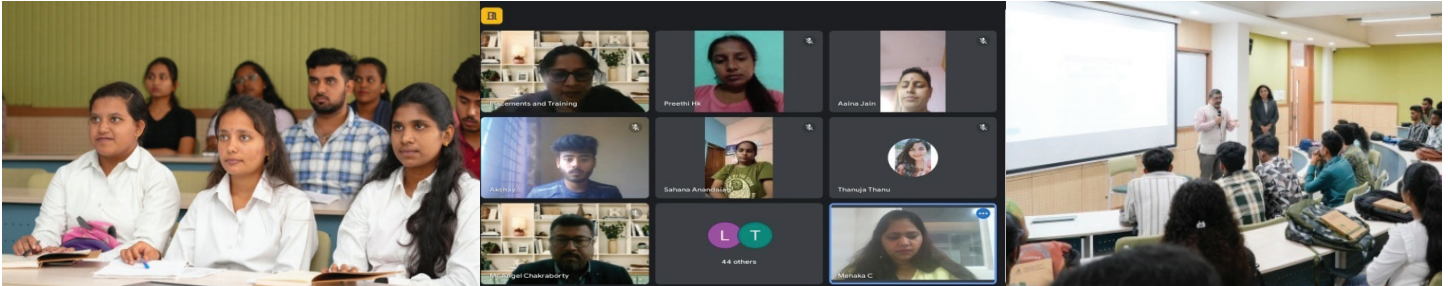

Participated in the **Curtain Raiser** for the **17th Edition of Manthan – Innovation and Business Plan Presentation**, organized by **FKCCI** on **8th January 2025**. The event highlighted the importance of **innovation, market research, and sustainable business models**, encouraging entrepreneurship among students and aspiring innovators.

On **22nd February 2025**, the department hosted a **Guest Talk on Intellectual Property Rights (IPR)** to raise awareness of its importance in academic and business contexts. **Ms. Geetha Sudheer Hundi** from **Tri Iustitia Legal, Bangalore**, provided insights on patents, copyrights, trademarks, and trade secrets.

Department of MCA

The **Department of MCA at SIMS, Bangalore** organized an **Online Orientation** (Dec 9–14, 2024) and an **Offline Orientation** (Dec 16–21, 2024) for the first batch of **I Semester MCA students**. The program introduced students to the academic environment, course structure, campus rules, and support services, helping them prepare for their academic journey.

The **Department of MCA at SIMS, Bangalore** held the Inauguration Ceremony for the **I Semester MCA students on Dec 21, 2024**, marking the start of the 2024–2026 batch's academic journey. **Dr. C. Menaka**, HoD, welcomed the students, stressing discipline, dedication, and curiosity. **Mr. Jose P D** (Strategy @ IIM), the Chief Guest, delivered an inspiring address on embracing technology for innovation and societal impact, sharing valuable career insights.

On **March 7, 2025**, the **Department of MCA** organized an **Industrial Visit to Cyberverspace Foundation, Yelawala** for **I Semester students**. Accompanied by **Dr. C Menaka**, HoD, the visit offered insights into real-world IT applications. Students explored areas like **cybersecurity, ethical hacking, data privacy, AI, blockchain, and cyber awareness initiatives**.

In celebration of **International Women's Day**, the **Department of Computer Applications (PG & UG)** hosted a thought-provoking **Panel Discussion** on March 8, 2025 themed around "Cyber security & Women: Closing the safety Gap in Digital World".

Department of MCA and BCA Organized the **INTRA COLLEGIATE IT FEST – BITOTSAVA 2025** for BCA and MCA students on 27/03/2025. The events organized were cyber clash, Techvisionary, Logic lords, Zone masters and Reelxpress.

The **School of Science (B.Sc, BCA & MCA)** and **Institution's Innovation Council (IIC)** at **SIMS** celebrated **National Science Day 2025** on **February 28 and March 1**, themed "Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat." The event aimed to inspire innovation and research-oriented learning. **Dr. Maneesh Paul S** was the esteemed guest, sharing insights on science's role in nation-building.
