## Chairman Message

Today, an institution's role extends beyond academic excellence to inspiring students to become lifelong learners, critical thinkers, and responsible global citizens. SIMS, under the esteemed Soundarya Educational Trust, has built a strong reputation in Bangalore and across Karnataka. At SIMS, we foster an environment that supports holistic, multifaceted development, encouraging students to channel their potential toward excellence. We believe every learner has unique talents that must be identified, nurtured, and strengthened to help them reach greater heights. Our focus is to provide platforms for students to think independently, express confidently, and showcase their abilities. By empowering them to face future challenges, we prepare them to grow with resilience and purpose. SIMS is committed to instilling strong values while balancing academics with co-curricular and extracurricular learning. Through this blend of scholastic and co-scholastic activities, we aim to shape each student into a self-reliant, capable, and responsible individual.

## CEO Message

As the institute CEO, I constantly keep my goals in mind while inspiring my colleagues to do the same. A successful institution should constantly be able to inspire and uplift the people in and around its environment. In a similar manner, our institution encourages the vision and goal of the college, faculty, and students who genuinely desire to understand and learn about society in order to build and alter public perceptions for the benefit of the nation. Our institution places a strong emphasis on all extracurricular activities, including athletics, cultural events, swimming, and the celebration of all festivals, regardless of religion, caste, or language. We respect and love everyone with all our hearts, and in doing so, we also teach and develop critical thinking, creative abilities, and expose pupils to a variety of activities to help them think and gain a good understanding of the world. We provide the top courses to all students who want to advance their careers. We invite everyone to join our amazing institution and educate oneself for the betterment of society.

# About - SIMS
