

MS. HARSHINI R

M.Sc. (Mathematics)

Assistant Professor – Mathematics, Dept. of B.Sc. Pure Science

Experience: 8 Months

Faculty Profile

Ms. Harshini R is an Assistant Professor of Mathematics in the Department of B.Sc. Pure Science at Soundarya Institute of Management and Science, Bangalore. She holds an M.Sc. in Mathematics from KLE Society's S. Nijalingappa College.

Her academic interests focus on strengthening conceptual understanding, logical reasoning, and problem-solving skills among undergraduate students, encouraging analytical thinking and application-based learning in mathematics. She actively teaches B.Sc. mathematics courses and participates in Faculty Development Programs, seminars, and workshops on research methodology, AI tools for research writing, cyber law, and student development. She has also completed ADHOC Training on Silk Dyeing and Printing from CSTRI.
